MESSAGE FROM DIRECTOR

HEMENDRA SINGH RAWAT

Director
Rawat Educational Group

Dear Learners and Parents,
Welcome to a new academic year filled with opportunities and growth.
True success comes from dedication, passion, and a strong sense of values. At RPS, our mission is to develop not only well-educated minds but also kind and courageous hearts.

Education, for us, goes beyond textbooks. It's about instilling qualities like honesty, empathy, integrity, and perseverance from an early age. We believe these are the foundations of a meaningful and impactful life.

As Aristotle said,
“Educating the mind without educating the heart is no education at all.”

That's why we focus on holistic development — blending academics with character-building.
We aim to nurture confident, responsible, and self-reliant individuals who can face life's challenges with resilience. Let us walk together on this journey of discovery and excellence.

Stay passionate. Stay inspired. And above all, stay hardworking.

“The future belongs to those who believe
in the beauty of their dreams.”

– Eleanor Roosevelt
